SUBJECT: Latvian response to North Korean Missile Launch

Ref: A) State 111144 B) USNATO 418

¶1. Pol/econ chief delivered ref A points to Signe Jansone, A/S-level official at the MFA responsible for Asia. Jansone said that Japanese charge had been in just prior to make similar points. Latvia shares our concern on the launches and fully supports the NATO (ref B) and EU statements on the matter.
